Continuity and Change- Inquiry Based Research Project

Essential Question: Is change easy?

Your Summative Performance Task:

Your task is to create a Weebly site that answers the essential question: Is change easy? The Weebly site will contain a homepage with four tabs. Each tab will relate to a supporting question. You will provide evidence using the primary sources given to you during class to respond to the four questions. Each tab should relate back to show your understanding of how change impacts each historical topic.

It is encouraged to use the following sources to aid you in your Inquiry Research:

Primary Sources, notes, and graphic organizers from the Reconstruction Period, Americans Move West, Industrial Age, Immigration, Progressive Spirit of Reform, and Americans Become a World Power.

Supporting Questions:

Please answer in complete sentences as you gather research for your letter.

1. How does the country recover from the Civil War?

2. Why do Americans move West?

Name:

3. What contributions are invented during the late 1800s?

4. What countries do Immigrants come from and why?

5. How does America establish its role as a World Power?
