This chart below will help you organize the information you will see and hear in the first video segment, "Who Served and Why." The four men interviewed in the clip are listed in the left-hand column of the chart. Across the top are various reasons that men enlisted in the military. In the video, each man explains why he enlisted. As you watch the clip, put a checkmark in the appropriate boxes to show the reasons each man gives for enlisting. (In the "Other" column, make any other notes that seem relevant about each man.)
